# 10480NAT Graduate Diploma of Business Management

(General, Project, Risk, Tourism, Hospitality and Logistics Management)

**CRICOS Code 084934C**

## Course Description

The Graduate Diploma of Business Management is designed to reflect the role of an Owner/Operator, General Manager, Office Manager or Department Manager in any sector of industry. This program meets the need for a specialised program at a managerial level, whilst providing flexibility in both delivery and assessment. This course will also facilitate participants with managerial experience in another industry sector to pursue a new career path. The specialisation area for this section is General Management.
